

More Powerful Nerve Balm Formula Provides Increased Efficacy for Peripheral Neuropathy

Neurologist Sidney Kurn MD recently announced he has enhanced his topical Nerve Balm formula, making it even more effective for people who suffer from peripheral neuropathy, sciatica, and lower back pain.

Key Improvements to Nerve Balm include:

- **More Healing Power than the Original Formula**
- **Thicker Cream for Better Absorption**
- **Helps Restore the Integrity of Nerves**
- **Blocks Pain Faster**
- **Lower Regular Price**
- **No Known Side Effects**

In addition, Dr. Kurn will discuss his improved Nerve Balm formula during a June 5, 2019 webinar (Register here: bit.ly/2GQ9RoN) hosted by BioResource.
