

PEKANA ITIRES

Homeopathic-Spagyric Topical Ointment

More Healing Power

ITI(den) = infections of the
RES = reticuloendothelial tissues

- Eight natural ingredients stimulate & support the efficient flow of lymph to speed the excretion of toxins
- Helps reduce swollen and enlarged lymph nodes
- Relieves lymphatic stagnation and blockages
- Can be used with manual therapies to support Glymphatic/Lymphatic drainage system
- Available in 35 gram tubes

Dosage:

Gently rub in a moderate amount of ointment 2 to 3 times per day into the affected areas. ITIRES can also be used as a part of protocols for cleansing the body's extra-cellular matrix and resolving infection lasting 4 to 8 weeks.

FOR EXTERNAL USE ONLY

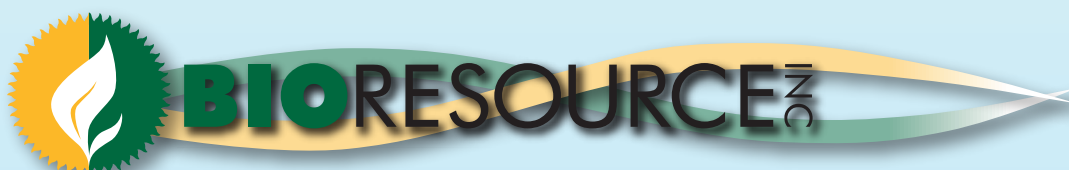

Clinical Pearl:

Rubbing ITIRES ointment along the spine, as a paraspinal massage, will relieve general lymphatic congestion and help with systemic infections. This can help bring down fevers, especially in children.
